Joy Bridge Kids

Overview

Joy Bridge is an upcoming state of the art behavioral clinic for children with autism and their families. We believe in treating the family as a whole, and as such siblings and parents are often incorporated into our therapy. We utilize evidence-based practices from the field of applied behavior analysis that include parent-training, intensive one-on-one and small group therapy, speech therapy, occupational therapy, academic instruction, after school center-based services and day-time center-based services for children between the ages of 2 to 16. We strive to provide compassionate and creative care to meet the needs of our families. We pride ourselves on a fun and family-based work culture where staff satisfaction and well-being are a top priority! Our values are those of excellence, integrity, teamwork, passion and innovation.

Seeking Registered Behavior Technician (RBT)

Minimum Requirements needed to apply for the RBT position:

- Bachelor's Degree not required, but preferred
- Professional references
- Reliable means of transportation
- Clean criminal history
- Maintaining respect and confidentiality for all clients

- Ability to lift, squat, bend, push/pull 30 pounds as needed for therapy services
- Ability to efficiently write and communicate verbally
- Ability to work supportively with other professionals and staff
- Evening and Weekend availability a plus

Benefits offered to our RBT's:

- Competitive salary with annual eligibility for merit increases
- Opportunity for advancement in a growing company
- Employer paid life insurance
- Access to medical, dental, vision, disability with generous employer contribution to medical
- Access to 401k retirement plan
- Full and part time schedules
- PTO, sick pay, and holiday pay
- Ongoing hands-on, didactic and online training and supervision from BCBA's
- Opportunities to participate in community presentations and conferences
- Like-minded, talented and dedicated colleagues who are ready to welcome new staff with open arms
- Optional team building opportunities such as group volunteering in the community
- A fun and innovative atmosphere that you won't find anywhere else

Summary of Essential Job Functions of RBT's:

1. Implementing individualized behavior analysis programming during one on one therapy sessions as set forth by a BCBA (Board Certified Behavior Analyst);
2. Implementing BIPs (Behavior Intervention Plans) specific to client as set forth by a BCBA;
3. Remaining current and knowledgeable on all client programming by reading supervision and consultation notes provided by BCBA and applying all contents to therapy sessions;
4. Training incoming staff members on Applied Behavior Analysis practices and those specific to Joy Bridge Kids;

5. Completing an accurate daily log of all billable interactions and billable service hours for the Client chart and reporting all information to Joy Bridge Kids;
6. Recording all behavior analysis programming in adherence to data collection guidelines set forth by Joy Bridge Kids;
7. Other activities generally performed by an RBT that are directly related to behavioral analysis such as activities related to oversight of Joy Bridge Kids programs and employees.
8. Obtaining/Maintaining Registered Behavior Technician (RBT) Certification.
